

## Garaysar FEAR178 28" 12 Gauge Over/Under Shotgun Walnut

**A versatile shotgun for upland birds, turkey, and sporting clays – the Garaysar Over/Under is designed to outperform similar shotguns costing several times as much!**

With five chokes to choose from, this shotgun can handle everything from wing shots to trophy fan tails.

An unprecedented value for the money, the Garaysar Over/Under 12GA shotgun offers all the quality, reliability, and features that have made Garaysar the hottest new name in the shotgun world.
